ENGINEER

Name: _____ Phone: _____
Company: _____ Email: _____

This right-of-way permit application, along with all supporting documentation, must be submitted by the applicant via email at ROW@gillespiecounty.org or by hard copy submittal at the County Courthouse, Attention: Engineering Department 101 W. Main Street, Fredericksburg, Texas 78624. County acceptance of a completed right-of-way permit application does not constitute approval. This permit should be submitted AFTER a pre-application and/or site meeting is conducted with the Engineering Department and/or Precinct Commissioner.

Please refer to The Gillespie County Right-of-Way Regulations for more information on the permit review process and permitting requirements.

ADOPTED PERMIT FEES:

Permit fees must be paid at the time of application by personal check, cashiers check, or other method accepted by the County and made payable to Gillespie County. Payment may be hand delivered or mailed to the Gillespie County Courthouse to the attention of the Engineering Department at 101 West Main Street, Fredericksburg, Texas 78624. Third party engineering review fees, if applicable, must be paid prior to permit approval.

If construction has started on an improvement in the ROW prior to approval of a ROW permit application, the applicant shall pay the calculated ROW permit fee x 2.

| Improvement Type | Fee |
|---|---|
| Individual Single Family Residential Improvement | \$50 |
| Multiple Single Family Residential/Residential Subdivision/MHRC/Non-residential Improvement | \$500 |
| Utility Installation (Aerial Only + no new poles) | \$0 |
| Utility Installation (Aerial Only + new poles) | \$250 |
| Utility Installation (Underground) with no road crossings | \$500 |
| Utility Installation (Underground) with road crossings | \$500 + \$125 per bore + \$250 per trench |
| Third Party Engineering Review Fee | Actual Cost |

BEFORE SUBMITTING THIS APPLICATION, PLEASE MAKE SURE:

1. THE CONTRACTOR HAS SIGNED THIS APPLICATION.
2. ALL CHECKLIST DOCUMENTS ARE SUBMITTED UNLESS THE COUNTY ENGINEER HAS PROVIDED APPROVAL TO OMIT CERTAIN SUBMITTAL ITEMS.
3. THE PERMIT FEE WILL BE PAID AT TIME OF APPLICATION.
4. YOU HAVE REVIEWED THE ADOPTED RIGHT-OF-WAY ORDINANCE.

BY SIGNING THIS DOCUMENT, I HEREBY ACKNOWLEDGE THE FOLLOWING:

- Approval of these documents does not relieve the applicant from full compliance with the terms, provisions, and conditions of the Gillespie County Right-of-Way Ordinance.
- Approval does not relieve the applicant from any requirements from outside agencies.
- Any improvement within the ROW that is non-compliant with Gillespie County Right-of-Way Regulations, or constructed without an approved ROW permit, is subject to removal by Gillespie County at the property owner's expense.
- THIS ROW PERMIT EXPIRES 6 MONTHS AFTER APPROVAL.
- The County Engineer must be notified after construction is complete. Failure to notify the County Engineer and schedule a final inspection may lead to removal of the improvement at the property owner's cost.
- At completion of construction, all equipment, construction material, trash, and other debris shall be removed and the work area shall be restored to its pre-project conditions (including but not limited to revegetation of the ROW at the applicant's cost).

- Maintenance of improvements constructed under the ROW permit shall be the responsibility of the applicant. Any improvements constructed in the ROW shall be adequately maintained to prevent the blockage of stormwater runoff and to prevent any impediments to traffic safety.
- All ROW permits are subject to the Road Damage and Repair provisions described in the Subdivision Regulations.

I hereby confirm this application and all attached information is truthful, complete, sufficient, and in compliance with the Gillespie County Right-of-Way Ordinance.
